scrap of Basic White
scrap of Sunset Shimmer Vellum
scrap of Basic Black

Instructions:

- Using the scrap of black die cut the seagulls and add Wink of Stella to them
- Die cut the Blueberry Bushel cardstock - 5 1/4 x 4 using the sailboat die, leaving about 1/2 from the top of the cardstock and center it on the right and left. Then use Wink of Stella and paint the sailboat, stamp the water under the die cut sailboat and use Wink of Stella and paint the water.
- Die cut the scrap of Basic White and the scrap of Sunset Shimmer Vellum using the banner die (2nd from largest) from the Stylish Shapes. Stamp Congratulations! on the Basic White. Cut the vellum in half and glue to each side of the stamped banner. Using dimensionals adhere to the bottom of the Blueberry Bushel panel.
- Place the Blueberry Bushel on the Basic Black to get the placement for adhering your Scenic Coast 3x3 DSP. Adhere the 3x3 DSP to the Basic Black and then using dimensionals adhere the Blueberry Bushel over your DSP.
- Add the seagulls to the DSP using liquid adhesive.
- Add the Sunset Sparkle Sequins to the front of the card
- Stamp your sentiment on the Basic White 5 1/4 x 4 and adhere to the inside of the card.
